Memorandum of Addendum #4

January 22, 2021

To: **General Contractors**

From: **Paul Bonsall**
ADW Architects, p.a.

Re: **Addendum No. 4**
Sampson County 911 & ES Facilities
Clinton, NC
ADW Job No. 20003

NOTICE TO CONTRACTORS

This Addendum #4 has become a part of the drawings and project manual for the above project.

Each Contractor shall be responsible for notifying their sub-contractors of the information contained herein.

Revised or newly issued drawing contained in this Addendum #4 shall supersede and take precedence over any conflicting information in any previously issued drawings. Revised or newly issued project manual sections contained in this Addendum #4 shall supersede and take precedence over any conflicting information in any previously issued project manual sections.

Each Contractor shall bear all expenses resulting from the use of substitutions which may be included in this addendum, including the cost of work in general, structural, fire protection, plumbing, mechanical, and electrical trades required due to the substitution and the cost of any Architect's services made necessary by the substitutions.
