Addendum #1

1. Revised scope of work is provided in addendum #1 for the following bid packages: Structural & Misc Steel, Waterproofing & Caulking, Doors & Hardware, Glass & Glazing, Trusses & Framing, Painting, Signage, Plumbing & HVAC, Electrical and Landscaping. Changes to the scope of work are made in red type.
2. BBC has provided a revised Subcontractor Special Provision that will be included in your contract, Exhibit C. This will replace the exhibit C included in the "UNCW Parking Deck II Boilerplate updated 10.26.18" file. There are changes in the new document dealing with excavation & utility strike prevention.
3. Specification Section 084413 is included in this addendum for the curtainwall. The window opening framing for Alternate #2 is specified in the specifications in section 108213.
